**Just for Today-Living the Program**
Tell Yourself:
Just for Today my thoughts will be on my recovery, living and enjoying life without the use of drugs.
Just for Today I will have faith in someone in NA who believes in me and wants to help me in my recovery.
Just for Today I will have a program. I will try to follow it to the best of my ability.
Just for Today through NA I will try to get a better perspective on my life.
Just for Today I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life.
So long as I follow that way
I have nothing to fear.
