Just for Today-Living the Program

Tell Yourself:

Just for Today my thoughts will be on
my recovery, living and enjoying life
without the use of drugs.

Just for Today I will have faith in someone
in NA who believes in me and wants to
help me in my recovery.

Just for Today I will have a program. I will
try to follow it to the best of my ability.

Just for Today through NA I will try to
get a better perspective on my life.

Just for Today I will be unafraid, my
thoughts will be on my new associations,
people who are not using and who have
found a new way of life.

So long as I follow that way
I have nothing to fear.
