Just for Today-Living the Program

Tell Yourself:

Just for Today my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just for Today I will have faith in someone in N.A. who believes in me and wants to help me in my recovery.

Just for Today I will have a program. I will try to follow it to the best of my ability.

Just for Today through N.A. I will try to get a better perspective on my life.

Just for Today I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life.

So long as I follow that way I have nothing to fear.
