Agenda/Report from February 5, 2021

Update of Tasks:

We continue to meet using zoom the 3 rd Monday of each month at 6:30 pm. This month we made updates to the

BMLT and the virtual meeting list. Please visit our website @ <https://almostheavenareana.org>: there are many

resources there. Please also send meeting updates to [ahana-pr@outlook.com](mailto:ahana-pr@outlook.com). We have the

ongoing issue of trying to see if we can have NA literature placed on tablets in our local detention center. We continue to get updates through world service with regards to this matter and are waiting to hear back from at least one detention center to see if it is a possibility. We have been in contact with the Berkley County Health Department to see if the overdose response team would be willing to leave meeting list with individuals that have experienced an overdose as well as to those potential members that they come in contact with. As a follow-up, the Washington County Health Department did make the changes to their literature reflecting the correct phone number for Almost Heaven NA but have not changed it on their website. We sent another email 2/3/21. We participated in a town hall conversation meeting with representatives from treatment programs, homeless shelters, local government, and Meritus Hospital. This was another change to assist the profession community with identifying NA as a viable resource in their community. Our next meeting will be February 15, 2021 @ 6:30 pm  
Zoom: Meeting ID: 889 2533 2600  
Please help carry our message into the community so that no addict seeking recovery need die!
