*Don V. nominated Chair Pro-Tem* **Pass 9-0-0**

*Motion by Sherry V. to change the order of the day, in order to make a motion. Seconded by Dave W.*  
**Pass 9-0-0**

Motion by Addicts Welcome— We move that the Almost Heaven Area (AHA) Area Service Committee (ASC) involuntarily remove the current Vice-Chair from the position, effective immediately. Seconded by Hope & Gratitude

Intent—To allow ASC business to be conducted in a more spiritual manner consistent with the Almost Heaven Area Guidelines, including the Purpose, Traditions, and Concepts.

(Allow for a second)

Discussion - We cite the following as justification of this motion:

A. Dereliction of duties as acting Chair

From Policy Chairperson Duties and Responsibilities

1) Section c. Maintains and conducts ASC meetings with a firm, yet understanding hand in compliance with the approved ASC guidelines taking precedence over Robert's Rules of Order as derived by the groups in compliance with the fulfillment of the Twelve Traditions of NA. – The Vice Chair has shut down discussion on multiple occasions, not allowing for a full understanding among all members. The Vice-Chair has attempted to put the tenets of Roberts Rules of Order over our ASC Guidelines repeatedly, mostly due to a misunderstanding of said Guidelines.

Example: December 2021 ASC regarding the questions that arose during the Treasurer's Report.

2) Section d. Is fair and impartial – There have been multiple instances of a lack of fairness and extreme partiality to her agenda, again at the expense of a full understanding of the motion or discussion among all members. Examples:

December 2021 ASC-A GSR asked a different question about the Treasurer's report but was told that question had been asked and answered already and we are moving on.

February 2022 ASC home group report: Vice Chair lashed out via email at the group for expressing an opinion about the good job the H&I and PR sub-committees had been doing as well as the Secretary for adding that to the minutes in bold print.

3) Section i. Is ultimately responsible to see that all duties and responsibilities of ASC officers are carried out to completion. In the absence of any officer or officer's action, the chair sees that the duties and responsibilities are carried out.

Examples:

-Failure to appoint a Regional Committee Member (RCM) pro-tem for the February

meeting of the RSC. Almost Heaven went unrepresented at this conference.  
-Ask a member who accepted nomination for a position if they would serve protem.  
-February 2022 ASC – Failure to hold a roll call to reaffirm quorum after break. Had to be cajoled to take a voice affirmation rather than counting Zoom boxes which may or may not have been attended due to the video not on.

#### From Policy Discussion/Motions

“2. The conference will strive for unanimity in understanding rather than the actual vote. Everyone will at least understand what is going on.” Discussion shut down on multiple occasions prior to an understanding of the item being discussed has been gained fully among the members.

Examples:

-February 2022 ASC - Discussion shut down as to nomination process to fulfill soon to be expired Secretary term. -December 2021 ASC: Treasurer’s report instances cited above.

#### B. Violation of the Area Purpose

“We would like to continue our spiritual direction, asking that each member act with respect and love to every other member of the conference. From our inception, we have worked in the spirit of unanimity. This process allows all members to have their questions, answers and all input heard before votes are taken. This course of action takes time and allows a loving God to express himself through an informed group conscience.”

#### Example - Attempt to Alter Minutes

The Vice-Chair attempted to have the February minutes altered to include a written report that was not presented during the February ASC. The report given during ASC contained about 75-80 words. The report that she sent out after the fact contained 1775 words that raged about topics that were never presented on the floor but have been sent out via emails over the past two weeks. (See Email section below)

#### Example - Attempt to reschedule the March ASC

From policy OPERATIONS “3. The ASC as a whole shall be responsible for the ASC meeting time and place”

The Vice-Chair has attempted to reschedule the March ASC at a different online location without direction of the home groups and without inviting all trusted servants. She has also attempted to create small online groups without inviting all members of this body or notifying home groups.

#### Example - Attempt to involve the Region in AHA business

The Vice-Chair attempted to have actions be taken by the RSC toward this body without consulting or receiving direction from the home groups.

The Vice-Chair inundated the Regional Chair and Regional Delegate by email making false accusations using erroneous information prior to bringing these

grievances to the area floor for the groups to discuss.

### C. Emails

The Vice-Chair has sent out over 80 emails to the ASC minutes group (not counting others sent to individuals that are too numerous to count.) Many of the emails have been sent to portions of the group, while different emails were being sent to other members of the group. There was no consistent thread. A subject line endeavored by one thread might become lashing out about a totally different grievance in the next iteration.

These emails have included many unfounded and totally false accusations thrown toward other Trusted Servants in the Area. The accusations include misappropriation of funds, personal attacks including name calling and threats, claims that Trusted Servants were trying to “swindle” the Almost Heaven Area.

There have also been demands made of other Trusted Servants to do things that are not in keeping with our Guidelines, Traditions or Concepts or directed by the home groups such as:

1. Perform audits (the audit is actually to be conducted by the chair, vice-chair and secretary)
2. Give up the passwords to our web site and the New Hope Zoom account used by the area for the past two years.
3. Asking persons to take positions not listed in Policy.

### Conclusion

The sheer volume of this barrage constitutes harassment under the law in many states. These outbursts could also lead the Area or the ASC to being faulted and/or hurt the NA Fellowship as a whole in some way should these make their way into public discussion. By doing nothing we are condoning her actions. She was elected by the ASC, however her behaviors show that the Almost Heaven Area made a mistake in electing her which must be immediately rectified through her removal from the office of Vice-Chair.

### **Motion Passes 9-2-0**

*Motion by Sherry V. to resume the order of the day. Seconded by Thaddeus M.. **Pass 10-0-0***

### **Vice Chairs Report**

Was none to give since the Vice Chair was removed.

**Update of Tasks:**

We met on February 21, 2022 and will continue to meet in person on the 3<sup>rd</sup> Monday of the month at 6:00 pm. Please visit our website @ <https://almostheavenareana.org>: there are many

resources there and a link to the PR Task Group zoom. Please also send meeting updates to [ahana-pr@outlook.com](mailto:ahana-pr@outlook.com).

We had no events to attend in the community this past month but received emails on possible outreach opportunities and will look into those.

The Website site is up to date and several people have access to enter information. The BMLT is also up to date with information. We have received some new information on meetings and may get more at ASC this Saturday, but will inform members that they need to send those changes to the [ahana-pr@outlook.com](mailto:ahana-pr@outlook.com) so we have a tracking mechanism.

There was a NASW dumps.

We are seeing that some of the covid mandates are dropping, but still see events being cancelled like the Maryland Theatre Wellness Summit. One member has contact with two possible events in April that will draw close to 3,000 all together. We are still seeking members to inform us of opportunities to do outreach. Again, if you know of events, health fairs or other civil events that we may be able to attend, please let us know. Potential members can't find us if they don't know we exist or where we are.

Our next meeting will be March 21, 2022 @ 6:00 pm  
549 West Queen Street, Back of Church, 2<sup>nd</sup> Parking lot in the basement  
Please help carry our message into the community so that no addict seeking recovery need die!

### **Old Business**

#### **Area:**

1. Motion Maker: New Hope Group Seconded by: Kurtz

Motion: Clarify Existing Policy. That the Chair or Vice Chair acting as chair cannot make motions.

Intent: To clarify existing policy for Vice Chair under QUALIFICATIONS, DUTIES AND RESPONSIBILITIES FOR SERVICE POSITIONS:

d. Is fair and impartial.

e. Refrains from discussing or expressing a personal opinion of a motion when presiding. **Failed 5-1-0**

2. Motion Maker: Traci G. Seconded by: Cedric W.

Motion: Cancel Almost Heaven Area Inmotion account.

Intent: The area is currently paying \$299.76 for duplicate services. Both Inmotion and Godaddy offer the same services. It is redundant to pay for both accounts. The Inmotion account may have been necessary when the area initially created the website, but all we need is hosting now. I would recommend we cancel Inmotion and request a refund.

Chair pro-tem ruled this motion to be Out of Order since the acting chair is not allowed to have an opinion therefore not allowed to make motions.

Dora R. appealed the chair pro-tem and the motion was upheld.

**Motion failed 1-6-0**

Amendment Area &RCM: \_\_\_\_\_ Description/Background  
(Optional): Since the guidelines were updated there are more car/cat events that are being held other than MARLCNA. This change would allow the delegate team to determine which car/cat service events would give the most information and if this could not be determined to allow the delegate team to split up and attend other service events each. Also there are no world wide workshop being held by NA World Service. Intent: To update guidelines to reflect correct events and allow the delegate team the flexibility to determine which service events would best provide information and/or train our delegate team to best serve our region.

CARNA Motion Form

Motion Number: 111-3      Date: December 18<sup>th</sup> 2021

Mover: RD Team Area    Second: Tidewater RCM

Motion: Description/Background (Optional):

Conference participants came to a consensus to postpone the next World Service Conference until 2023 in the hopes that we will be able to meet in person at that time. The WSC will convene for a partial, interim, virtual meeting in 2022 to make decisions that are required by law and policy, as well as to decide on the Spiritual Principle a Day book, but the conference cycle this time will be three years, ending when the 2023 meeting closes. Experience has shown that continuity of trusted servants in a conference cycle helps to make the WSC more effective so we are encouraging regions and zones to consider making similar decisions related to the terms of their delegates and alternates- **See Attached Letter in its entirety.**

Intent:

To Continue with the same delegate team to preserve continuity and help the World Service Conference (WSC) be more effective.

Motion:

To suspend policy to extend the term of the Regional delegate only by four months to maintain continuity of trusted servants for the 2023 World Service Conference

**Back to groups for a vote**

Pro: We are extremely bless and confident in our Regional Delegate Teams Ability to review the slate of workshops available at this conference and making the best decisions on which will give us the best bang for our bucks.

No Cons on either motion
