(142nd) •Delegate can determine whether the whole team attends same Service events or splits the events between them for the con year and non-conference year.

Amendment Area &RCM: _____ Description/Background (Optional): Since the guidelines were updated there are more car/cat events that are being held other than MARLCNA. This change would allow the delegate team to determine which car/cat service events would give the most information and if this could not be determined to allow the delegate team to split up and attend other service events each. Also there are no world wide workshop being held by NA World Service. Intent: To update guidelines to reflect correct events and allow the delegate team the flexibility to determine which service events would best provide information and/or train our delegate team to best serve our region.

CARNA Motion Form

Motion Number: 111-3 Date: December 18th 2021

Mover: RD Team Area Second: Tidewater RCM

Motion: Description/Background (Optional):

Conference participants came to a consensus to postpone the next World Service Conference until 2023 in the hopes that we will be able to meet in person at that time. The WSC will convene for a partial, interim, virtual meeting in 2022 to make decisions that are required by

law and policy, as well as to decide on the Spiritual Principle a Day book, but the conference cycle this time will be three years, ending when the 2023 meeting closes. Experience has shown that continuity of trusted servants in a conference cycle helps to make the WSC more effective so we are encouraging regions and zones to consider making similar decisions related to the terms of their delegates and alternates- [See Attached Letter in its entirety.](#)

Intent:

To Continue with the same delegate team to preserve continuity and help the World Service Conference (WSC) be more effective.

Motion:

To suspend policy to extend the term of the Regional delegate only by four months to maintain continuity of trusted servants for the 2023 World Service Conference

Pro: We are extremely bless and confident in our Regional Delegate Teams Ability to review the slate of workshops available at this conference and making the best decisions on which will give us the best bang for our bucks.

No Cons on either motion
