AREA SERVICE COMMITTEE GUIDELINES**

PURPOSE

In January 1985, our Area was formed in the spirit of love. We would like to continue our spiritual direction, asking that each member act with respect and love to every other member of the conference. From our inception, we have worked in the spirit of unanimity. This process allows all members to have their questions, answers and all input heard before votes are taken. This course of action takes time and allows a loving God to express himself through an informed group conscience. We have to, in all our endeavors, strive to better carry the message in a loving way to the addict who still suffers. With everyone's help, we can still do this just for today, the NA way.

We are dedicated to be supportive of our members, our groups, our service committees and Local Service **Committee** (LSC) and our primary purpose so that no addict seeking recovery need ever die without having the chance to find a better way of life. We are committed to the linking together, within our Area, by helping each other deal with our basic needs and situations and by encouraging the growth of our fellowship. This conference is here to serve the basic functions of unifying the fellowship within our area, to contribute to carrying the message of recovery through the LSC actions and to contribute to the growth of NA by initiating work to be finalized at the World Service Conference. We must always remember as individual members, groups and service bodies, we are not in competition with each other and never should be. We work separately and together to help the newcomer and for our common good. Internal strife cripples our fellowship and prevents us from providing the services necessary for our growth. (11/11) (4/23)

*GOD, GRANT US THE SERENITY
TO ACCEPT THE THINGS WE CANNOT CHANGE,
THE COURAGE TO CHANGE THE THINGS WE CAN
AND THE WISDOM TO KNOW THE DIFFERENCE*

THE TWELVE TRADITIONS

We keep what we have only with vigilance and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our Traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first, personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience, our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is the desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose - to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain ever non-professional, but our Service Centers may employ special workers.
9. NA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence, the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion, we need always maintain personal anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

12 Concepts for NA Service

1. **To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure, which develops, coordinates, and maintains services on behalf of NA as a whole.**
2. **The final responsibility and authority for NA services rest with the NA groups.**
3. **The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.**
4. **Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.**
5. **For each responsibility assigned to the service structure a single point of decision and accountability should be clearly defined.**
6. **Group conscience is the spiritual means in which we invite a loving God to influence our decisions.**
7. **All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making process.**
8. **Our service structure depends on the integrity and effectiveness of our communications.**
9. **All elements of our service structure have the responsibility to carefully consider all view points in the decision-making process.**
10. **Any member of a service body can petition that body for redress of a personal grievance, without fear of reprisal.**
11. **NA funds are to be used to further our primary purpose and must be managed responsibly.**
12. **In keeping with the spiritual nature of Narcotics Anonymous, our service structure should always be one of service never of government. (12/06)**

AGENDA

1. Chairperson will distribute a prepared agenda at each conference.
2. All new motions should be given on a motion form to the Chairperson prior to the end of the break at the Area Service Conference (ASC). (6/19)

DISCUSSION/MOTIONS

1. Each person participating in the conference will have one say, but only one say on each motion.
2. The conference will strive for unanimity in understanding rather than the actual vote. Everyone will at least understand what is going on.
3. All motions, other than administrative or procedural will go back to groups for an informed thorough group conscience vote.
4. The discussion on a motion should be very involved. When the vote comes back, there should be no further discussion on that motion.
5. Anyone can make a motion; Group Service Representative/Alternate (GSR/alt) can second a motion. (3/16)

QUORUM

1. Official quorum is 2/3 of the GSR's who have participated in both of the last ASC's. Quorum cannot be less than seven. (3/16)

VOTING

1. Only a GSR or GSR-alternate can vote. (Chair can vote in case of a tie only in ASC procedural matters.) (3/16)
2. GSR's can only vote their group conscience vote or on administrative/procedural decisions. (3/16)
3. Voting will be done by a show of hands or a roll call vote.
4. After a motion is returned from group conscience, voting will take place only once.
5. Any administrative or procedural motion can be passed by a 3/4 approval of established quorum.
6. Any new group represented by a GSR at the ASC may start voting and be recognized that day.
7. When a motion comes back for a vote the first time, abstentions shall be called first. With one-third (1/3) or more of the quorum abstaining on the motion, voting stops. The chair will poll the abstentions to determine if more clarification is needed and the motion will go back to Home Groups a second time. If there is less than one-third (1/3) abstaining, voting proceeds with all attending GSR's to be counted. If and when a motion comes back a second time, the chair will call for "yes" and "no" votes only and the vote will be determined from that tally.
8. Regional motions will not include abstentions, only yes or no votes. (1/06)

AMENDMENTS TO GUIDELINES (5/18)

1. Guidelines can only be amended by a 2/3-majority home group conscience vote of GSR's. (12/06)
2. Addendum can be changed by simple majority vote. (8/13)

1. All prepared reports will be read on the conference floor. All reading of prepared reports will be limited to ten (10) minutes each. (4/16)
