Chair's Report

Hi Everyone

Hope all are well.

I attended this past month the Local Service Unit (LSU). Our vice chair pro tem will be giving the report as per policy.

I also attended the PR task group. The report will be in the LSU as per policy.

I facilitated the Convention Committee meeting and submitted our report as per policy as the

vice chair pro tem was not available on Monday night.

The workshop flier for the dates of the Conference Agenda Report (CAR) and Conference Approval Track (CAT) and the CAR (Literature) Survey is on our website. Tomorrow is the last one. Hope all can attend to better understand the motions facing our fellowship. If anyone is ready to respond to the motions, there is a Tally sheet made up in survey monkey so your votes can be tallied by the delegate team. It is <https://www.surveymonkey.com/r/CARNA2023>

The CARNA ETally Sheet will close on the day of the GSR Assembly in order to get the final tally for the delegate team to take to World Conference. The GSR assembly is virtual, and the flier is on our website.

Any home group that would like a member of the delegate team to answer any questions, please feel free to email your regional delegate team at carnadelegateteam@car-na.org

Vice Chair (Pro-Tem) Report

Brothers and Sisters in Recovery,

Very grateful for the opportunity to serve in this capacity this past month.

We held the LSU mid-month and had very low attendance. Changing the meeting time in April to 7:00 PM to help with others' schedules and allow for better attendance.

I was able to attend the two Special Events Task group meetings. I must say it was very encouraging to see so many addicts turn out twice to participate in this task.

Once again, if I am allowed to serve in this capacity for the next month, I would like to attend some group consciences. Please add your GC date to your report for the month or email me at dopsondan@hotmail.com.

RCM-Alt Report **April 1, 2023**

Hi family,

First, I would like to apologize for not making it to the area this month period my health has presented with life threatening challenges so I just needed to get away for a few days to recoup and refocus.

With that being said, there are a couple of things I would like to address. As the groups have requested, I will be attempting to obtain the completed financial budget for the AZF at this month's regional meeting. **Please be reminded however that the information we asked for last time the region was held was met with resistance. I will do my best to get what the home groups are asking for and present at the next area service.**

The second thing is that we have the following motion that we must vote on. It is as follows.

219-1 Debit Card Motion

Motion Maker: Roland C. tidewater RCM Second: Greg H. Roanoke Valley RCM

Motion: To amend Policy to allow the Treasurer to order and distribute debit cards to the RD Team only and transfer approved budgeted item request.

Intent: To change Policy to allow Treasurer to order debit cards for the RD Team budgeted item request

Need to be voted on.

Pro: would be extremely helpful for members who cannot truly afford it

Pro: would be like a prepaid card, where the only amount on the card can be used.

Con: Not spelling out that it's not a debit but putting a cap on it or what part of policy needs changed.

This motion needs to be voted on today so it can take it back to the region.

Thank you for your confidence in allowing me to serve the area as our RCM-Alternate. I hope I am the voice of the area in excellence and thoroughness. As always, if there is anything you need me to do or present to the region floor on behalf of the home groups please do not hesitate to bring it to my attention so I can continue to serve you, the groups of the almost heaven area of NA.

PR Task Group Report

We continue to meet on the 3rd Monday of each month in-person at 6:00 pm. Please visit our website @<https://almostheavenareana.org>. Please continue to send meeting updates to the ahana-pr@outlook.com. We met on March 20, 2023, at 6 pm. We attended two events this month: 1. Hagerstown Community College: where we were able to hand out QR codes to Students and Staff; 2. Addictions and Recovery session

for the Washington County Community where we were able to handout QR codes to people from the community and religious organizations.

We have been asked to participate in several events but we need more people to assist in managing the table, one example, there are 2 major events on May 6th with the possibility of coming into contact with over 1,000 potential members or loved ones of said people. If you are interested in being a part of PR please attend the next meeting and share with your homegroups that "WE ARE ALL PR!" and we need you to help carry the message.

We are going to be moving the PR meeting to 925 Foxcroft Avenue (Starbucks) starting Monday April 17th . At the previous location we have been having difficulty getting seats and the noise level.

We continue to monitor the webpage and ask that you please let us know as soon as changes are made to your homegroups. If you know of any events that we could participate in, please email us.

Our next meeting will be April 19, 2023, 6:00 pm

Capture the Flag

The Capture the Flag event concluded on Friday March 31, 2023. The submitted flag capture data shows that 152 NA members from 8 different home groups participated by attending 57 different meetings in the Almost Heaven Area that these addicts may not have attended without the impetus of the CTF event! In addition, both Shevana and Frederick areas of NA have requested information on this event so that those areas may host their own Capture the Flag events. Capture the Flag is partnering with the special events task group to host a culmination event to celebrate the winners, participants and all interested NA members in May. More will be revealed.

ILS, Capture the Flag Task Group

Special Events Task Group

The Special Events Task Group has met twice, Mar 21 and Mar 28, with 10-12 addicts in attendance each time. The first event we are working on is to close out the Capture the Flag contest. Our original plan was to hold the event on April 29, but we could not locate a venue to host on that date. Working with May 13 date now – more to be revealed. We are planning a speaker jam with two speakers and a celebration of the

Capture the Flag participant groups in between. The plan is to provide pizza and drinks and request covered dishes.

Some questions that have arisen –

- 1) Are there supplies for Special Events that are already in possession of the area or does each event need to budget for/provide their own?
- 2) What is the process to access the funds that are already set aside by the AHA and budgeted for Special Events? It does not seem to be covered in the Guidelines. We will have a full budget to present at the next LSU. We expect it to be in the \$200-\$300 range.

Next Meeting - 4/11/23 6pm hybrid 300 S Artizan St, Williamsport MD and will also be hybrid Please pass the word along in your Home Groups that we would really like to have them participate.

Since our last meeting both these facilities have reached out to ask for AHA support in restarting/bringing a meeting in on a regular basis. Both programs are tentative to begin early summer 2023. **We need Task Group volunteers to coordinate these efforts.** This also exemplifies the need to have an overall H&I Task Group to coordinate this process.

The policy subcommittee met on March 9th at 7pm on Zoom and there were four in attendance. The first task was revising the policy which was completed but sent late to PR by the policy chair. The second was the ideal of changing the name of the LSC (Local Service Unit) to the LSC (Local Service Committee) and we discovered that would it require the replacement of the title on almost every page in the guidelines.
